Please note the BIG LUNCH which has been advertised around the village has had to be CANCELLED.

BIKEABILITY CANCELLED

The BikeAbility Cycle training has had to be cancelled this year due to low numbers.

It is an opportunity for the year 5/6 children to improve their cycling abilities and master new skills on today's roads.

As ever if there is a reason why your child was not interested in taking part this year, please let us know as we can address any issues should we be offered the chance again next year.

Thanks
Mr Firth

Cake and Coffee Afternoon Thursday 11th June - Cakes needed!

We are having a cake sale this Thursday 11th June. **Please support us by bringing in your cake donations** which can be dropped off in the Annexe in the morning. Parents and carers are invited into school from 2.15pm onwards to buy cakes and enjoy a quick cuppa before afternoon pick-up. Pupils will also be able to buy cakes so if you can't come yourself then make sure they have some spare change. All money raised will go towards school funds so please help where you can - either by baking or buying!!

Homework

On the back of the feedback from parents, most of which was related to freeing up time at the weekends to allow family time, all classes are now setting homework on Monday to be completed by Friday each week.

Children that have not completed the homework will be 'invited' to join Mrs Heron for homework club on Friday lunchtime... so don't leave it all until Thursday night (you know who you are!) ☺

CALLING ALL IRONERS!

On the evening of Tuesday 16th June and the morning of Wednesday 17th June we will be DESPERATE for volunteer 'IRONERS'. We have 54 Spanish children visiting and one of the shared tasks they do is to paint a T-Shirt with a child from our school which can be sealed by ironing and taken home as a souvenir. We REALLY need help with the mammoth task of ironing 54 t-shirts before the children head off home to Spain.

PLEASE let the School Office know if you can spare twenty minutes☺.
