Introduction

As an Ofsted registered provider we meet the statutory requirements of the Early Years Foundation Stage (EYFS 2014) as well as legislation Equality and Human Rights Commission and United Nations Convention on the Rights of the Child (1992). To this end, we have developed a policy that informs parents the procedure to follow should they need to make a complaint about any aspect of our setting. This policy meets the Early Years Foundation Stage welfare and OFSTED requirements and the guidance for safeguarding and promoting children's welfare ' Providers must put in place a written procedure for dealing with concerns and complaints from parents and/or carers, and must keep a written record of any complaints, and their outcome. All providers must investigate written complaints relating to their fulfilment of the EYFS requirements and notify complainants of the outcome of the investigation within 28 days of having received the complaint. The record of complaints must be made available to Ofsted on request.'; 'Providers must make available to parents and/or carers details about how to contact Ofsted, if they believe the provider is not meeting the EYFS requirements. If providers become aware that they are to be inspected by Ofsted they must notify parents and/or carers. After an inspection by Ofsted providers must supply a copy of the report to parents and/or carers of children attending on a regular basis.'"

As a registered childcare provider we aim to work in close partnership with all parents to meet the needs of their children. Maintaining good communication between both parties will aid this. We expect that parents will immediately bring to our attention any aspect of our service they are not happy with so that every effort can be made to resolve the matter. Parents can make a complaint to a member of staff verbally, or in writing.

Policy

It is a condition of our registration to investigate all written complaints relating to the requirements of the Early Years Foundation Stage and we will notify the complainant of the outcome within 28 days of the receipt of the complaint.

We aim to offer an excellent standard of care to all children. We will follow the guidelines as stipulated in our training with regards to the care and wellbeing of all children. Get up and Go! is registered as a childcare setting on the Early Years Register, compulsory part of the Childcare Register, and the voluntary part of the childcare Register and will adhere to the requirements imposed by Ofsted:

We will follow the guidance of the Early Years Foundation Stage and will provide a safe and engaging environment for all children to develop and achieve their potential. We will provide a variety of

activities that are age appropriate and take the individual child's interests into account. We will promote equal opportunities and offer a diverse range of activities and experiences to encourage the rounded development of each individual.

If any parent or carer feels that we are not providing their child with the appropriate care as set out above we would welcome feedback and will endeavour to change the care we give to incorporate any developments deemed necessary. We regularly provide parents with a review form that gives each parent/carer the opportunity to review the care we have given and offer ideas for change as they feel appropriate. A review form is also available on request. We will aim to act upon any advice given, and will keep the review forms for inspection by Ofsted.

Procedure

If we do receive a formal written complaint, we will inform OFSTED within 14 days that a complaint has been made. We will investigate all complaints and notify the complainant of the outcomes of the investigation within 28 days. We will keep a written record of all complaints and their outcome for at least three years. Confidentiality will be maintained but, as required, we will provide OFSTED, on request, with a written record of all complaints within a specified period and the action taken as a result of each complaint.

If the complaint cannot be resolved or if the complaint is of a serious nature and you feel you cannot discuss it with us please contact OFSTED on 0300 123 1231.

OFSTED produces guidance on concerns and complaints about childcare providers. This is available on the OFSTED website (www.ofsted.gov.uk) and provides guidance on the complainant's right to contact OFSTED.

This policy supports the following requirements and standards:
